International Student Enrollment Report

Data Summary

The International Student Enrollment Report provides an overview of international student enrollment at the University of South Carolina for the Fall 2011 term. This report includes all international students enrolled at the main campus of Columbia. For reporting purposes, "international" is understood as a non-U.S. citizen student, holding any visa status other than Legal Permanent Residency. In addition, data is reported on English Programs for Internationals (EPI), the University's intensive English program on the Columbia campus

International student enrollment has increased by 7.3% since Fall 2010.
