[^0]:    * Demonstration of proficiency in one foreign language equivalent to the minimal passing grade on the exit examination in the 122 course is required. Students can demonstrate this proficiency by successfully completing Phase II of the Proficiency Test or by successfully completing the 122 course, including the exit exam administered as part of that course.

    It is strongly recommended that students continuing the study of a foreign language begin college-level study of that language in their first semester and continue in that language until their particular foreign language requirement is completed.

[^1]:    ${ }^{+}$The student's major will be chosen from TWO of the disciplines listed in the university bulletin. All courses must be at the upper level with at least 15 hours at the 400-level or above, with the exception of Sociology, in which the following 300 -level courses may be substituted for 400 -level courses: SOCY $304,305,312,320,323,340$. All grades must be $C$ or better. A minimum of 12 hours is required in each of the two disciplines. At least 15 hours must be USC courses. No more than 12 hours of the major will be accepted in transfer.

[^2]:    ${ }^{\ddagger}$ The cognate cannot be a discipline included in the student's major option. No more than six hours of transfer work may be applied to the cognate. A minimum of 12 hours of course work at the 300 level or above from one of the disciplines listed in the university bulletin.
