

Special Enrollment Request

REG
Initials _____
Term _____

Instructions

Submit this form to request approval for transient or concurrent enrollment permission at another USC campus or US institution. Permission to participate in National Student Exchange, Study Abroad or Cooperative Education must be approved through the appropriate campus offices. Other restrictions may apply to USC courses which require you to contact the department offering the course for an override.

Note: Beginning Summer 2017, USC will no longer maintain a transfer GPA on the academic record for both new students and continuing students who add transfer work to their academic record from transient or study abroad institutions.
